JUNE IS ELDER ABUSE AWARNESS MONTH

Elder financial exploitation isn’t rare. It’s widespread, growing, and often hidden.

Here’s a simple idea that can help prevent fraud:

PAUSE
Encourage your loved ones to take a moment before acting, especially when something feels urgent.

ASK
If something feels off, talk it through with someone you trust or your credit union. A quick conversation can prevent a costly mistake.

PROTECT
Financial fraud can often be avoided by protecting your financial and personal information
